Every Life is Worth Remembering

What is a Funeral Celebrant?

A Celebrant is a person who is trained and certified to meet the needs of families during their time of loss.

A Celebrant serves by providing a funeral service that is personalized to reflect the personality and life-style of the deceased.

Why Use a Certified Celebrant?

The training for Celebrants established by the In-Sight Institute seeks to provide the most comprehensive and sensitive training available. It is important that you and your family know that you are being served by someone who understands the process and is prepared to offer the very best service possible.

What Does a Certified Celebrant Offer the Family?

Our Celebrants offer an alternative to a service provided by a clergy person for those families who are not affiliated with a church or who simply do not wish to have a traditional religious service.

Our Celebrants have been specifically trained to design a service for your loved one that is completely personal, incorporating those unique stories, songs and experiences that define the loved one.

Our Celebrants will schedule a special Family Time for your family to share memories, anecdotes and special moments in the loved one's life. The essence of the service will be based upon the remembrances of the family.

Our Celebrants will consult with you to help design a service that best reflects and memorializes the life of your loved one. The Service can incorporate music, photos, personal mementos, and unique ceremonies to create a tribute to the life lived.

Our Celebrants can serve at a funeral service, memorial service, graveside service, anniversary tribute, tree planting, bench dedication or any other gathering designed to honor the deceased.

Celebrants are bound by a Code of Ethics for complete Confidentiality.

What is the Cost?

The Celebrant will spend approximately 10 hours in preparation for your service as well as the expense of maintaining a resource library and on-going training. Each Celebrant has established a fee that will be added to the funeral bill.

Where Does a Family Find a Celebrant?

Morrissett Funeral & Cremation Service is the only funeral home in Central Virginia to have a complete staff of Certified Funeral Celebrants as well as have our funeral directors trained as Celebrants so that they can fully explain to each family the experience of using this service. We are prepared to match your family's needs with one of our caring team of Certified Celebrants.
