

Our Stationery packages have changed dramatically in the last few years. Gone are the days of a few limited themes that may or may not suit the individual's personality. Now families can choose from hundreds of themes that are custom printed in full color.

Premium Package:

In addition to hundreds of printing themes, this package also offers dozens of Video introductions to enhance the Video Tribute that we prepare for each family.

Standard Package:

The most popular package we offer. This allows a family to choose from hundreds of Themes to find one that matches a persons personality or lifestyle.

Basic Package:

This package is limited to either a veteran theme or a generic blue marble theme.
