Outer Burial Container Price List

Prices are effective as of January 1, 2017

Availability and Price are subject to change without prior notice.

State or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy this requirement. Morrissett Funeral & Cremation Service makes no representations or warranties regarding the outer burial containers listed. The only warranties, expressed or implied, granted in connection with outer burial containers sold are the express written warranties, if any, extended by the manufacturers thereof. Morrissett Funeral & Cremation Service hereby expressly disclaims all warranties, expressed or implied, relating to the outer burial containers, including, but not limited to the implied warranties of merchantability and fitness for a particular purpose.
