NFDA Cremation Certification Program

The recognized certification standard for funeral service professionals

Cremation litigation is on the rise. Protect your firm through cremation due diligence practices and provide your families with the best cremation service possible.

This program offers a must-have certification for everyone offering cremation to the families they serve. **Whether you currently own or operate a crematory, are thinking of opening one, or want to evaluate a third-party crematory, this training is necessary for your success.**

The recognized certification standard for funeral service professionals, NFDA's Cremation Certification Program covers best practices for safe, proper, and ethical crematory operations, excellence in service to cremation families, and much more. Opportunities for Continuing Education credit may also be available in your area
