

While any funeral home can say it's the best, we have the awards to back it up.

Not every funeral home can win the National Funeral Directors Association's coveted Pursuit of Excellence Eagle Award. We've earned it three times and were awarded the Best of the Best Eagle Award in 2015. As Virginia's only Best of the Best and multiple Pursuit of Excellence recipient, we are in a class of our own. Don't settle for less than our tradition of excellence.
