# The History of Morrissett Funeral & Cremation Service

In 1870, shortly after the end of the Civil War, Beverly H. Morrissett, a Southside cabinet maker, established B.H. Morrissett Funeral Home at No. 17 W. 7th Street in Manchester, Virginia, now South Richmond. His sons, William J. Morrissett and Jefferson T. Morrissett, joined the business in 1893 and 1894 respectively and, with this addition the name was changed to B.H. Morrissett and Sons. The funeral home operated on 7th Street until 1914 when it was relocated to 19th and Hull Streets. After B.H. Morrissett's death in 1915 the funeral home was run by his sons. In 1920 William's son, Stanley B. Morrissett, became the third generation to serve our community. The company continued at the Hull Street location until 1938 when a new facility was built at 318 Cowardin Avenue. According to news accounts of this era, Morrissett Funeral Home was the oldest continuously operated business in South Richmond. With Jeff's passing in 1940 and Willie's death in 1960, Stanley was left to continue his family's traditions. Robert G.

Danielson was hired in 1962 to manage the company. Upon Stanley's death in 1966, his sister, Esther B. Morrissett became the owner, with Mr. Danielson continuing as manager. In 1969, Bob and his partner Walter E. Mittelstadter, Jr. purchased the company and in 1974 built a new facility at 6500 Iron Bridge Road. Longtime employees, Richard M. Booker and Laurence F. Spiaggi, purchased Walter's interest in the funeral home in 1989 and upon Mr. Danielson's retirement in 1997, they were able to purchase the entire business. On December 31, 2015, Dick Booker retired after 47 years of service to our firm. Larry Spiaggi and Sue Danielson became the sole owners. January 1, 2022, after many years of serving the community, Larry and Sue decided to retire. They sold the business to the General Manager, Margaret Edie and along with her dedicated staff, continue to offer our community the care and service that has been expected of us since 1870.

Thank you for choosing Morrissett Funeral & Cremation Service. We strive to offer the highest level of service to every family we serve.

We are proud to be the only funeral home in Central Virginia to place all of our prices on our website and here in booklet form. We feel that hiding the cost of our services or merchandise is unfair to you as the consumer. All of the costs associated with arranging a meaningful farewell service is clearly laid out within these pages.

Our highly trained staff of funeral directors and event planning experts are always here to help further explain everything that we offer. They are eager to explore any ideas that you may have in preparing a truly unique Life Remembrance Experience.

### **OUR VISION**

#### **To Show Our Community the Value of Every Person's Life**

*A few of the things that make us unique...*

**WE ARE FAMILY OWNED AND OPERATED** In this region, dominated by huge chains and multi-national conglomerates, we proudly remain independent. Our funeral home owners and our staff believe that we are accountable to you, not far-away stockholders. We are kind, gentle, and knowledgeable men and women who respect your right to choose without undue influence and believe the most valuable thing we own is our reputation. Every staff associate is expected and empowered to do anything it takes to serve your family well.

**LIFE CELEBRATION** We join your family in co-creating a celebration of life which truly tells the story of who you are and what you are passionate about. Every life has a story. A funeral is not just a day in a lifetime; it is a lifetime in a day.

**MORE OPTIONS** We provide more options than any other firm because we serve a varied clientele who appreciate a variety of options. We provide these simply to make it easy for you to choose the options that best fit your needs.

**PRICE AND VALUE** We understand that we only get one chance to perform our work sensitively and correctly. There are other funeral homes that proclaim low prices but cut corners with staff, facilities, and procedures and there are other funeral homes that are more expensive that simply do not give the level of service that we provide. We attract and retain the best staff possible; our people provide consistently outstanding care to those we serve. Our facilities are modern, and our staff is easily the best in the Central Virginia area. Every family we serve receives an after-care visit along with a follow-up survey and we are proud that they overwhelmingly report they would call us again. These responses confirm the importance of giving people quality and value for what they spend.

**BEFORE THE TIME OF NEED** We provide free assistance with pre-planning. You also have the option of locking in today's prices by funding your plan. This allows you the peace of mind knowing your plan is protected from price increases and inflationary trends. (Or simply placing your wishes on file and allowing the costs to be paid at the time of need.) Every family is entitled to receive our FREE Family Planner.

**SERVICE PLUS** With all of our service plans we provide Service Plus. See the next page of this price list for a list of items that are included with our basic service charge at no additional cost.

**AFTER THE FUNERAL** The services we offer after the funeral are equally noteworthy. We provide a valuable after-care package that includes materials on coping with the grief process, valuable lists of details to take care of after the funeral, and information about veterans and social security benefits.

## **All our services include...**

### **Exclusive, No Charge...**

#### **Comfort Dogs**

We offer Virginia's first fully trained comfort animals for use in a funeral environment. For the majority of our guests, these two chocolate labs, Hope & Peace, bring a great calm to a sometimes very stressful situation. Especially when it comes to children, these lovable dogs offer a beautiful distraction to the matter at hand.

#### **Online Obituary**

Providing your loved one's obituary online allows friends and family near and far the ability to view it and leave messages. You may also link the obituary to your Facebook page, or email it, to share with family and friends.

#### **Music Service**

We offer an endless library of music to assist in customizing your service. We also invite you to bring your recordings or favorites to be played during the service.

#### **Fallen Heroes Program**

Our funeral home offers our services for no charge to any active military service person or public safety professional that is killed in the line of duty.

#### **Aftercare Services**

We have a dedicated team of grief specialists that will follow up with each family after the funeral service. They will invite you to participate in our support groups and keep in contact for up to a year to offer support and guidance for you to use as you see fit.

#### **Portability of Pre-Arranged Funerals**

All of our pre-arranged funerals are transferable to other funeral homes around the country. If you have already pre-planned with another funeral home in our area, we can easily assist you in transferring those arrangements to our funeral home. We will then provide the same merchandise and upgrade you to our level of service at no additional cost to you.

#### **Hospice Pre-Arrangement Guarantee**

We offer to any family that is being served by one of our local hospice providers the ability to plan in advance without having to pre-pay anything. We will hold that price for the entire time the patient is under hospice care.

#### **SERVICE SATISFACTION GUARANTEE**

## CASKET PRICE LIST

**Effective December 12, 2022**

Price, Casket, & Availability Subject to Change without Notice

This casket price list shows a small selection of caskets that are available to the families we serve. We use all three major casket manufacturers that serve Central Virginia. Between them, we have access to over a thousand caskets. We use this list to show a good cross section of what is available. Through our virtual showroom, our staff will show you as many as you want to see in order to find the one that best fits your taste and price range.

Unlike other funeral homes, we do not double, triple or quadruple the wholesale cost of the caskets that we sell. We simply add a small fee to cover our handling, cleaning and presentation of the casket selected.

Not all caskets can accommodate every size person. We offer a selection of oversized caskets and alternative containers. Oversize caskets do have some restrictions concerning placement in mausoleums and pre-installed lawn crypts at our area cemeteries. Please consult with your funeral director if this will be a factor with the services that you are selecting. PLEASE REMEMBER when using some oversize caskets, you will also have to purchase an oversize outer burial container. Please discuss this matter with your funeral director.

All caskets are shown with the interior style and color that was chosen by the manufacturer. Just about every casket can be custom outfitted with any color or style interior in the manufacturer's inventory.

The fee to change the interior is \$500 and will take approx. 5 business days to complete and deliver to our funeral home. If you want to choose this option, please discuss this with your funeral director prior to scheduling any services.

Most of our caskets can be customized with a themed head-panel that you can select at the time of making arrangements. If a head panel is not included in the price of the casket or you want a personalized head-panel, there is a fee of \$125 and can possibly take 5 business days for delivery to our funeral home. Please discuss this with your funeral director.

**OUTER BURIAL CONTAINER**  
**PRICE LIST**

**Effective December 12, 2022**

Price, Container & Availability Subject to  
Change Without Notice

State or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

What does an Outer Burial  
Container do?

Its primary purpose is to support  
the ground above the casket.

A grave liner will do this.

However some families choose  
the extra level of protection that is  
provided by a burial vault.

Our fee to open and close a grave in a church or private cemetery is \$1,650  
any day of the week.

Holiday Charge on an Outer Burial Container is \$600.

(No Burials on Thanksgiving and Christmas.)

Any special charges such as hauling extra dirt off site or hand digging of  
grave will be priced upon request.

All outer burial containers listed are provided by:

Markam Burial Vault Co.

### *Why have a place of Permanent Memorialization?*

#### *A place of healing and reflection*

A consistent place for healing allows for family and friends to find comfort long after the services are over. There are a wide variety of personalized options for cremation. Finding the perfect memorial is a reflection of the life lived for future generations to learn about their ancestry.

Scattering of cremated remains should be done legally. It can be done in a beautiful and meaningful ceremony, or simple and private. However, we always suggest that some cremated remains be retained and placed where you can gather and remember - a place that is marked for all to see that this life mattered. (Please inquire about rental of our air powered scattering gun.)

Choosing the appropriate vessel to place these treasured remains is a difficult decision. We do not pressure you to make it quickly. We will provide a temporary container at no charge and provide you with catalogues and other resources to help you make an informed decision.

This Urn Price List shows a small selection of urns that are available to the families we serve. We use all the major urn manufacturers. Between them we have access to thousands of urns. We use this list to show a good cross section of what is available. Through our virtual showroom, our staff will show you as many as you want to see in order to find the one that best fits your taste and price range.

Unlike other funeral homes, we do not double, triple or quadruple the wholesale cost of the urns that we sell. We simply add a few dollars to cover our handling, cleaning and presentation of the urn selected.

**Custom Engraving, expedited shipping, and other special requests** do have additional charges associated with them. Your funeral director will be able to give you an estimate of these charges before any order is finalized.

#### DISCLAIMER

## WHAT IS AFTERCARE? WHAT IS COMMUNITY CARE?

AFTERCARE is an extension of care and support for families we have served. This service is born from a heart of compassion on the part of the Morrissett staff. We are committed to providing care and support well after the funeral or memorial service.

Our Community Care/Aftercare Director reaches out to each family approximately two weeks after the service to assess the needs of each family. Our director is available for a home or office visit to assist family members in their grieving process. In addition, we offer other resource referrals to assist families having to cope with the grief associated with suicide, homicide, addiction overdose, and other sudden deaths, as well as the pain resulting from the death of a child.

We also facilitate quarterly support groups for the death of a spouse along with a suicide support group and a general grief support group. Our desire is to provide any number of support groups addressing specific grief needs because we know that the pain of grief lasts beyond the funeral service.

COMMUNITY CARE is the extension of our family care to the greater community. Our grief support groups are available to all families in our community struggling with grief whether they have come through our doors or not. We believe that when the family is well and strong, the community is healthier and stronger.

In addition to quarterly and ongoing support groups, we sponsor workshops on relevant life issues such as aging, divorce, loss of a career or the challenge of living with a person of addiction. We also enjoy remembering our families with Anniversary, Birthday, Mother's Day, Father's Day, and Veteran's Day cards. Perhaps the most gratifying service we provide is our annual Holiday Remembrance gathering where we honor those families who have grieved the death of a loved one the past year with a quality lunch, memorial candle lighting, and a holiday ornament with the name of the deceased inscribed upon it. This is simply our way of expressing our love for our community.

**IMPORTANT NOTE:** Our aftercare / community care services are provided for you and your family at no extra cost. We invite you to participate in any or all of our activities.
